

# THE DOG'S DISH

Nov-Dec 2017 Edition

## NEARLY THE END OF THE YEAR...

Spring is in the air and summer won't be too far away either! This is the time when most of us like to wear our summer gear on a warmer day...however a reminder of 'NO THONGS' on human feet at any time when in classes! Wearing thongs to training is not safe; with the likelihood of a rolled ankle, bee sting or stubbed toe being very high. Please wear closed shoes at all times when training! Thank you for your cooperation!

### DEFERRALS OVER XMAS PERIOD - important please read

The last day of training for this year is Saturday 9th December 2017 and we will be returning on Saturday 3rd February 2018. This means we have a 7 week (7 x Saturdays) break over the Christmas/New Year period.

Those of you with memberships which cross over into 2018 please note the following:

- Your membership expiry date already incorporates the extra 7 weeks to cover the Christmas closure period and any other "no training" dates that your membership may cross over.

### How to defer your membership if you need to:

- If you are going away on holidays on *either side* of the closure dates above and wish to defer your membership, please note the following:
- Deferral period must be for **4 consecutive, regular training weeks or more** and cannot include any "no training" and/or Christmas closure dates as above.
- We must receive your notification of deferral **no less than 2 weeks prior** of your anticipated last training Saturday. This can be done at reception, via email or phone call.
- Deferrals will not be accepted **AFTER** your return from holidays.

If you need to renew your membership before the end of 2017 training year, we will add any 'no training' dates that you cross to your membership time so that you don't lose out.

If you have any questions regarding any of the above, please come and see us at reception.

*Happy Training.....The Four Paws Team*
